

Vishnu R Kumar

.NET Full Stack Developer

Kayamkulam, Kerala, India | +91 9895010782 | vishnurkumar66@gmail.com

Portfolio: vishnurkumar66.github.io/myportfolio | LinkedIn: linkedin.com/in/vishnurkumar67

| Summary

Motivated and detail-oriented .NET Full Stack Developer with a strong foundation in C#, ASP.NET Core MVC, and SQL Server. Skilled in building scalable, secure web applications with clean architecture and optimized database design. Passionate about backend development, team collaboration, and continuous technical growth.

| Educational Background

Diploma in Engineering — NSS Polytechnic College, Pandalam (Sep 2016 – Jan 2020)

Developed a Student Management System as the final year project using HTML, CSS, JavaScript, and MySQL. Achieved a CGPA of 7.41 and participated in workshops to enhance technical and leadership skills.

| Employment History

Intern — .NET Full Stack Developer (Faith Infotech)

July 2025 – Present

- Worked on a group project — **Clinic Management System** — developed using ASP.NET Core MVC and SQL Server.
- Served as the **Team Lead**, coordinating a 5-member team to manage development workflow and module integration.
- Developed two key modules: **Admin** and **Receptionist**, including CRUD operations and authentication.
- Collaborated with teammates responsible for Doctor, Pharmacy, and Lab modules to ensure consistent functionality.
- Gained practical experience in Model Binding, Validation, Entity Framework Core, and MVC architecture.

Technical Skills

- **Languages:** C#, SQL, JavaScript, HTML, CSS
- **Frameworks:** ASP.NET Core MVC, ADO.NET, Entity Framework Core
- **Front-End:** Razor Pages, Bootstrap, Tailwind CSS
- **Databases:** SQL Server, Oracle
- **Tools:** Visual Studio, VS Code, Git, SSMS
- **Concepts:** OOP, Model Binding, Middleware, Dependency Injection, REST APIs
- **Soft Skills:** Problem Solving, Collaboration, Time Management

Projects

- **Clinic Management System:** Group project developed during internship using ASP.NET Core MVC and SQL Server. Managed as Team Lead and implemented Admin and Receptionist modules.
- **Student Management System:** Final year project developed using HTML, CSS, JavaScript, and MySQL. Implemented CRUD operations, form validation, and user authentication features.
- **Portfolio Website:** Personal website built with HTML5, Tailwind CSS, React Library — [View Portfolio](#).

Additional Experience

DHL Supply Chain, Kayamkulam — Associate (2021 – 2025)

Worked in a fast-paced logistics environment, handling shipment documentation, data entry, and quality verification tasks. Developed strong teamwork, attention to detail, and process management skills.
